This matter is before the Public Service Commission of South Carolina (the Commission) on the Motion for a pre-hearing conference filed by the Intervenor Anderson CellTelCo, Greenville Cellular Telephone Company, Columbia Cellular Telephone Company, Metro Mobile CTS of Lancaster, Inc., and Metro Mobile CTS of Cherokee, Inc. (hereinafter referred to collectively as the "Intervenors"). The Intervenor seek a pre-hearing conference pursuant to our R.103-863 for the purpose of attempting to simplify issues, determining if pleadings need to be amended, and for any other purposes authorized under the Regulation. The Intervenor also request that such pre-hearing conference be scheduled on or before January 19, 1993 so that any stipulations, amendments, or other actions taken, or agreements reached at such pre-hearing conference may be taken into account prior to the pre-filing of testimony in this Docket.

The Commission has considered this Motion and is of the opinion that it should be granted. The Commission believes that a pre-hearing conference will afford all parties an opportunity to identify the issues anticipated to be raised at the hearing. In addition, the pre-hearing conference will assist the Commission in the orderly administration of the hearing by allowing the parties the opportunity to discuss any outstanding motions and procedural matters.

The Commission has determined that all parties of record should attend this pre-hearing conference or, if unable to attend in person, should attend by conference call. Any party not attending in one way or the other will be bound by any agreement made at the pre-hearing conference. While the Commission is of the opinion that parties should be allowed to raise any relevant issues during the proceeding, the Commission encourages all parties participating in this matter to endeavor to identify issues at the time they arise and before the close of the hearing. If requested, the parties may have the opportunity to further clarify issues in a post hearing brief, or proposed orders. Accordingly, the Commission hereby grants the Intervenors' Motion
